

# MISSISSAUGA CLIMATE LEADERS PROGRAM

Supporting Pathways for Local Businesses to Reduce Greenhouse Gas Emissions, Save Energy and Lower Costs

IN PARTNERSHIP WITH:

The Mississauga Climate Leaders Program (MCLP) aims to encourage and support local business efforts to reduce their greenhouse gas (GHG) emissions and lead Mississauga towards a net zero carbon future.

Delivered by the City of Mississauga in partnership with the Mississauga Board of Trade and Partners in Project Green, the MCLP will provide opportunities for local organizations to **promote, develop and advance** their sustainability goals through specialized support programs and events.

\*The City of Mississauga will deliver the MCLP as a pilot program.

## Program Benefits

### ACCESS SPECIALIZED TRAINING & SUPPORT PROGRAMS!

**GHG Emission Reduction Plan Training\***: Complete a customized training and support program from Enviro-Stewards that will help you develop and implement a profitable and practical plan to reduce GHG emissions.

**GHG Emission & Energy Efficiency Site Assessments\***: Partners in Project Green will lead a team of technical experts in a walk-through of your facility to identify actions your organization can take to reduce GHG emissions, save energy and lower costs.

### ATTEND ACTION-ORIENTED WORKSHOPS!

Hear from subject matter experts, network with peers and review local business case studies that address the following themes; GHG reduction opportunities, employee engagement and Environment, Social & Governance (ESG) disclosure & reporting.

### RAISE THE PROFILE OF YOUR SUSTAINABILITY INITIATIVES!

Share your success stories with the wider community through City platforms, including:

- City of Mississauga Climate Leader Spotlight
- Business Newsletter & Social Channels

\*Applications will open June 1, 2023. Limited spots available. Eligibility and cost requirements for participation may apply.
